EASY
COMPRESSOR NEBULIZER SYSTEM

- Aerosol therapy system with piston-type compressor.
- Supplied with Medeljet Basic Nebulization kit that guarantees high nebulization rate and efficiency.
- The kit contains: mouthpiece, nosepiece, adult and pediatric mask, spare filter and air tube.
- Compact design: easy to carry.
- With integrated nebulizer holder.
- Integrated double silencer system.
- Very easy to use

COD. 92457
CE 0123

FAMILY
COMPRESSOR NEBULIZER SYSTEM

- Aerosol therapy system with piston-type compressor.
- Supplied with Medeljet Basic Nebulization kit that guarantees high nebulization rate and efficiency.
- The kit contains: mouthpiece, nosepiece, adult and pediatric mask, spare filter and air tube.
- Integrated silencer system.
- Ideal for family use.
- Equipped with a practical accessories case.

COD. 92459
CE 0123
MAXI
COMPRESSOR NEBULIZER SYSTEM AND NASAL WASH

• **Double function**: Aerosoltherapy and Nasal wash.
• Supplied with **Medeljet Pro** nebulizer kit with double valve system.
• Triggered breath-enhanced nebulizer.
• Supplied with **Medeljet Rhino** kit for moisturizing the nasal membranes.
• **Ergonomic masks** with soft profile for maximum adaptability.
• With integrated accessories case and separated store compartment.

**COD. 92463**
CE 0123

---

**RHINO**
NASAL WASH

• Recommended for **washing and hydration** of mucous membranes.
• For the treatment of upper respiratory problems.
• Suitable for children and adults.

**COD. 92254**
CE 0123

---

**AEROSOL THERAPY SYSTEM**
**NEBULIZERS**

**STAR**
COMPRESSOR NEBULIZER SYSTEM FOR PEDIATRIC USE

- Aerosol therapy system with piston-type compressor.
- Supplied with **Medeljet Basic** Nebulization kit that guarantees high nebulization rate and efficiency.
- The kit contains: mouthpiece, nosepiece, adult and pediatric mask, spare filter and air tube.
- With **integrated nebulizer holder**.
- Equipped with a practical accessories case.
- **Star shape** design ensures a pleasant therapy time for parents and children.

**COD. 92458**
CE 0123

---

**PRO**
MINIATURIZED COMPRESSOR NEBULIZER SYSTEM

- Nebulizer with miniaturized compressor.
- **Silent operation**.
- Supplied with **Medeljet Pro** nebulizer kit with double valve system.
- Triggered breath-enhanced nebulizer.
- **Anti-contamination filter**.
- Ergonomic masks with soft profile for maximum adaptability.
- With accessories holder carrying bag.

**COD. 92469**
CE 0123

**AEROSOL THERAPY SYSTEM**
MEDELJET PRO
PROFESSIONAL NEBULIZER

- Nebulizer ideal for aerosol therapy
- The speed of drug delivery can be tailored to the exact needs of the patient for optimum efficiency.
- Ideal for both home and professional use.
- Easy dosage.

COD. 92492
CE 0123

MEDELJET BASIC
RAPID NEBULIZER

- Quick and effective.
- Helps reduce the residual volume of nebulized drug.
- Nebulization efficiency remains constant in any position up to an inclination of 80°.
- Easy dosage.

COD. 92491
CE 0123

AEROSOL THERAPY SYSTEM
ISOTONIC SEA WATER SPRAY

• Natural product.
• Physiological sterile and micro-diffused.
• Rich in minerals and marine elements.
• Recommended for babies, children and adults.
• Particularly suitable for daily washing of nasal cavity.
• Suitable for dry or stuffy nose.
• Composition: 100% sea water diluted, isotonic, sterile.
• 100 ml spray.

COD. 92481
CE 0123

STERILE PHYSIOLOGICAL SOLUTION

• To be used for: eyewashing, irrigating or cleansing dried nose, auricular rinsing, inhalation in Aerosotherapy.
• Recommended for babies, children and adults.
• 2 ml single dose vial.
• No preservative.
• 10 vials pack.

COD. 92480
CE 0123

AEROSOL ACCESSORIES
**iHEALTH**

**BLOOD PRESSURE DOCK**

- Turns your iPod® Touch, iPhone® and iPad™ in high-precision blood pressure monitors.
- Download the free iHealth application from App Store and the software for blood pressure measurement.
- The dock recharges with PC connection; a LED signals the complete charge of the dock.
- Records and displays all measurement data in interactive graphs, which are shareable on the social networks.
- Average calculations and smart WHO classification.
- iHealth includes the dock, cuff and a PC connection cable.

COD. 92347
CE 0123

**ABPM HOLTER**

**AMBULATORY BLOOD PRESSURE MONITORING SYSTEM**

- Light and compact design.
- Easy to set up and install on a PC.
- An integrated and extremely silent pump.
- Day and night readings set-up option grants high accuracy of measurement and correct data analysis.
- The device can be set up for multiple blood pressure measurements at regular intervals fixed by the user and according to the ABMP guidelines.
- Includes adult cuff, pediatric cuff and extra large cuff.
- Software stores all patient data and details.
- Reports are fully customizable.

COD. 92447
CE 0123

**BLOOD PRESSURE MONITORING TECHNOLOGY**
ELITE
PROFESSIONAL BLOOD PRESSURE MONITOR

- New **T3 function**: it automatically displays the **average** of the **last 3 readings**.
- **Backlit** large, easy-to-read LCD display.
- Fully **automatic**, reliable & comfortable.
- Measures systolic pressure, diastolic pressure & pulse rate.
- **Silent** pump.
- **60 readings memory** including time and date.
- Irregular heartbeat indicator (**IHB**).
- Equipped with a standard adult cuff (**22-30 cm**).
- Sturdy **case** for travelling and transport.

**COD. 92125**
CE 0123

CHECK
PROFESSIONAL BLOOD PRESSURE MONITOR

- New **T3 function**: it automatically displays the **average** of the **last 3 readings**.
- Anti-scratch cover to protect the display
- Fully **automatic**, reliable & comfortable.

DISPLAY PRO
DIGITAL COLUMN BLOOD PRESSURE MONITOR

- Ideal for professional auscultatory blood pressure monitoring.
- Does not contain mercury.
- Easy-to-read backlit display.
- **5 pressure levels markers** for pressure reading and pulse rate recording
- Bulb with air release valve.
- Washable cuff.

COD. 91433
CE 0123

3
YEAR GUARANTEE
ANEROID COMPACT
ANEROID BLOOD PRESSURE SPHYGMOMANOMETER
WITH FIXED PHONENDOSCOPE

- Ideal for auscultatory blood pressure monitoring at home.
- With Manometer.
- Bulb with air release valve.
- Washable standard adult cuff (22-30 cm) with D-ring.
- Sturdy case for travelling and transport.
- Phonendoscope included.

COD. 92310
CE 0123

ANEROID PRO
ANEROID UPPER-ARM SPHYGMOMANOMETER

- Ideal for professional auscultatory blood pressure monitoring.
- Built in manometer on cuff.
- Bulb with air release valve.
- Washable cuff.
- Sturdy case for travelling and transport.

COD. 91430
CE 0123
PALM PRO
PALM TYPE ANEROID SPHYGMOMANOMETER

- Ideal for professional auscultatory blood pressure monitoring.
- Large easy-to-read manometer.
- Bulb with air release valve.
- Ambidextrous handle.
- Washable cuff.
- Sturdy case for travelling and transport.

COD. 91431
